INTRO:

C    C7                          F    G7    C, G7  
 (Blue smoke goes drifting by, into the deep blue sky and when I think of home I sadly sigh)

C    C7                          F  
 Blue smoke goes drifting by, into the deep blue sky,  
 G7    C    G7  
 And when I think of home I sadly sigh,  
 C    C7                          F  
 Oh I can see you there, with loving tears in your eyes,  
 G7    C    C7  
 As we fondly said our last goodbyes.  
 F    C  
 And as I sailed a way with a longing to stay.  
 D7    G7  
 I promised to be true, and to love only you.  
 C    C7                          F  
 Blue smoke goes drifting by, into the deep blue sky,  
 G7    C    G7  
 My memories of home, will never die.
