```
G              Gmaj7            C
City Girls just seem to find out early
Am                        D    D7
How to open doors with just a smile
  G              Gmaj7            C
A rich old man and she won't have to worry
      Am        C          G C// D/
She'll dress up all in lace and go in style
```

```
G              Gmaj7            C
Late at night a big old house gets lonely;
 Am                          D    D7
I guess every kind of refuge has its price.
G                Gmaj7          C
And it breaks her heart to think her love is only
      Am        C          G,C//D/
Given to a man with hands as cold as ice
```

```
G                Gmaj7          C
So she tells him she must go out for the evening
    Am                        D  D7
To comfort an old friend who's feeling down
    G              Gmaj7        C
But he knows where she's goin' as she's leavin'
        Am        C          G C/G/
She's headed for that cheatin' side of town.

    You can't hide your lying eyes

```
                  Em  Bm          Am     D
    And your smile     is a thin disguise
    G        G   G7        C A
    I thought by now, you'd realise

    There ain't no way to hide those lyin' eyes
```

```
    G              Gmaj7          C
On the other side of town a boy is waiting
    Am                        D, D7
With stormy eyes and dreams no-one could steal
    G                Gmaj7      C
She drives on through the night anticipating
      Am        C        G, C//D/C
os he makes her feel the way she used to feel
```

She rushes to his arms they fall together
      Am                    D    D7
She whispers that it's only for a while
    G              Gmaj7          C
She says that soon she'll be coming back forever
      Am        C          G C/G/
She pulls away and leaves him with a smile
```

She gets up and pours herself a strong one
        Am                    D  D7
And stares out at the stars up in the sky
    G          Gmaj7        C
Another night, it's gonna be a long one
    Am          C        G,C//D/
She draws the shade and hangs her head to cry
```

My oh my, you sure know how to arrange things

You set it up so well,  so carefully    Ain't it
    G              Gmaj7          C
funny how your new life  didn't change things;
      Am            C          G  C/G/
You're still the same old girl you used to be
```
