Intro: [Am] [Am]

[Am] On the other side of a street I knew, [F] stood a girl that looked like you  
[C] I guess that's déjà vu, but [G] I thought this can't be true, cause  
[Am] You moved to west L.A. or [F] New York or Santa Fe, or  
[C] Wherever to get away from [G] me

[Dm] Oh but that one night, [F] was more than just right  
[Am] I didn't leave you, [G] cause I was all through.  
[Dm] Oh I was overwhelmed, [F] and frankly scared as hell  
[E7] Because I really [E7] fell for you.

[F] Oh I swear to ya, [C] I'll be there for you, [G] this is not a drive [Am] by-y-[G] y-y-[F] y  
[F] Just a shy guy, [C] looking for a 2-ply, [G] hefty bag to hold my-[Am] y-y-[G] y-y [F] love  
When you move me, [C] everything is groovy, [G] they don't like it..sue me  
[Am] Mmm the way you [G] do me,  
[F] Oh I swear to ya, [C] I'll be there for you [Dm] This is not a drive [E7] by-y-y-y-[Am]- y.

[Am] On the other side of a downward spiral, [F] my love for you went viral  
[C] And I loved you every mile, [G] you drove away,  
[Am] But now here you are again so, [F] let's skip the "how you been", and  
[C] Get down to the "more than [G] friends" at last

[Dm] Oh but that one night [F] is still the highlight [Am] I didn't need you, [G] until I came to  
[Dm] And I was overwhelmed, and [F] frankly scared as hell  
[E7] Because I really [E7] fell for you.

[F] Oh I swear to ya, [C] I'll be there for you, [G] this is not a drive [Am] by-y-[G] y-y-[F] y  
[F] Just a shy guy, [C] looking for a 2-ply, [G] hefty bag to hold my-[Am] y-y-[G] y-y [F] love  
When you move me, [C] everything is groovy, [G] they don't like it..sue me  
[Am] Mmm the way you [G] do me,  
[F] Oh I swear to ya, [C] I'll be there for you [Dm] This is not a drive [E7] by-y-y-y

[Am] Please be[F]lieve that [C] when I [F] leave, there's [Am] nothing up my [F] sleeve  
But love for [G] you and a little time to get my head together too.
